Today!

At Christ the Savior Academy, we understand that a parent's day doesn't start and end when we open and shut the school doors. "Enrichments" is a program developed for parents who need an extra hand – whether daily or occasionally. We provide a safe, nurturing environment where your child can have a snack, participate in physical activities and games, finish their homework, play, and learn something in the process. Our enrichment activities vary daily – from art to music to even science and math. So, whether you need help every day or just when there is a change to your regular schedule, register your child today! Questions? Please contact Elena Sommerhalder at (316) 644-8844 or
